COVID SYMPTOMS

In order to assure the safety of all of our pupils, families and staff please ensure that you adhere to the following Covid Guidelines –

If your child displays any of the following Covid symptoms –

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

please isolate immediately as a household and arrange for a Covid PCR Test.

Please do not message your child's class teacher asking for advice regarding symptoms or whether it is okay for your child to come into school – contact the NHS Covid Helpline on for guidance.

Once a negative Covid PCR result has been received and forwarded to school either by SeeSaw or to the school email address mailbox@ywaun-pri.wrexham.sch.uk your child may return to school.

The following guidance has been forwarded by Wrexham -

“If your child has Covid symptoms they should stay at home and book a PCR test. They should not go into school regardless of whether they have tested as negative on a Lateral Flow Test.”

Thank you all for your co-operation in this matter.
