COVID GUIDANCE

Latest guidance received this week requests **that pupils who test positive for COVID19 must self-isolate for 7 full days after the day on which they test positive.**

If your child has no symptoms on day 8 and the results of two LFD'S are negative on day 6 and day 7 (taken 24 hours apart) they can return to school on day 8.

If your child still tests positive on day 7, they will need to continue their isolation for a full 10 days.

If your child (aged 5 and over) receives a Warn and Inform Letter to say they have been in contact with a positive case they need to carry out LFD tests for 7 days (available from either of the school offices).

If they develop symptoms during this time they need to take a PCR test.

Your support in following this guidance would be much appreciated.

NURSERY SEPTEMBER 2022 PLACES

Nursery September 2022 Applications are now open for any child who will have had their 3rd birthday on or before the 31st August 2022.
