7th October 2020

Dear Parents,

We are so pleased to have the children back in school and the first 6 weeks have gone as well as can be expected.

There is no doubt in our minds that the additional measures, including increased cleaning routines and regular hand washing and hand sanitizing, are making a real difference. The reduced rates of sickness recently have been noticeable on both sites.

It is however necessary to take our cleaning one step further and we hope to do this in a way that causes the least disruption possible to families.

We have decided to **close school slightly earlier, at 1pm, on the last day of each half term** to allow all staff time to deep clean classroom equipment, soft furnishings, soft toys, dressing up clothes, etc.. These are all items that cannot simply be wiped over.

I write to you now to give you as much time as possible to plan for this small change – the first early closure being on Friday 23rd October.

Please also note that **‘Rainbows After School Club’ will also be closed on 23rd October** to allow their staff to deep clean their own equipment.

Once again thank you for your continued support in making these new arrangements work as smoothly as possible.

Sincerely,

J. Roberts
Head Teacher
