Saturday 17<sup>th</sup> October 2020

Dear Parents,

In response to a positive COVID test, within our nursery class bubble, we have taken the decision to close our nursery classroom from Monday 19<sup>th</sup> October. Rainbows Nursery Plus will also be closed and all staff associated will be in self – isolation for 14 days.

All children who have attended Nursery should now self-isolate for 14 days – even if they do not have symptoms. Other family members are not required to self-isolate unless a family member develops symptoms, at which point you would order a test.

We appreciate that this may be difficult for families but we have to try and keep everybody safe, at a time when infection rates are, once again, rising.

For more information regarding self – isolation, please refer to earlier letters sent and to Public Health Wales guidance.

Yours Sincerely,

J. Roberts

Head Teacher
