Tuesday 8th December 2020

Dear Parents,

In response to a further positive COVID test, within our Year Reception / 1/2 Bubble, pupils/staff in Maple Class and Juniper Class are now expected to self – isolate for 14 days. Starting from Friday 4th December.

Pupils should self-isolate – even if they do not have symptoms. Other family members are not required to self-isolate unless a family member develops symptoms, at which point you would order a test.

We appreciate that this may be difficult for families but we have to try and keep everybody safe, at a time when infection rates are, once again, rising.

For more information regarding self – isolation, please refer to earlier letters sent and to Public Health Wales guidance.

Yours Sincerely,

J. Roberts
